This information is for borrowers attending or borrowing for a student attending degree-granting institutions only. Applications are subject to a requested minimum loan amount of \$1,000. Current credit and other eligibility criteria apply.

#### Borrow responsibly

We encourage students and families to start with savings, grants, scholarships, and federal student loans to pay for college. Students and families should evaluate all anticipated monthly loan payments and how much the student expects to earn in the future, before considering a private student loan. Explore federal loans and compare to ensure you understand the terms and features. Smart Option Student Loans that have variable rates can go up after consummation.

Federal student loans are required by law to provide a range of flexible repayment options, including, but not limited to, income-based repayment and income-contingent repayment plans, and loan forgiveness and deferment benefits, which other student loans are not required

to provide. Federal loans generally have origination fees, but are available to students regardless of income.

The Sallie Mae partner referenced is not the creditor for these loans and is compensated by Sallie Mae for the referral of loan customers.
